

March 18, 2020

Good Morning LBC family,

Well this is to inform you as to our plans to date regarding how

we will deal with COVID-19 and the reality that we are still unable to gather together for worship on Sunday mornings. We will, however, continue to be the church. Here's what is going on right now.

1. We have been in contact with some of our shut-ins and others who may need errands run or groceries delivered. We would urge you, with minimal contact to do the same for your neighbours.
2. This weekend we will have an online worship experience available for those who are able to access it in a link by email, Facebook, or the Website. We hope to continue this as long as we are unable to have Sunday worship services. Please visit www.tinyurl.com/lbcsaintjohn to see the video. You can also subscribe and like our channel to get further updates when we post them.
3. We are thankful for some who have dropped into the office and left their offering for the church. It's important that we continue to give. You can drop it to the office (mail slot in the door at anytime), mail it, or sign up for automatic withdrawal or give online through our website, www.lancasterbaptist.ca/giving
4. Stay up-to-date by following the church website, and Facebook page, as well as the church answering machine for any updates and letting others know who might not have that access.
5. We ask that everyone take the necessary precautions recommended by the Chief Medical Officer of the Province.

If you have any questions or concerns feel free to call the office or email us.
